---

---

---

---

---

---

---

---

---

---

3. Was the Once-ler concerned about the environment at all? Explain your response.

---

---

---

---

---

---

---

---

4. Describe the environmental conditions after the Once-ler moved his factory.

---

---

---

---

---

---

---

---

5. How did the Lorax try to help the environment?

---

---

---

---

---

---

---

---

6. What solutions can you provide to the Once-ler to sustain the quality and supply of natural resources?

---

---

---

---

---

---

---

---

---
